TACTIC WIFI: Wi-Fi enable convector heater

*Available July 2023

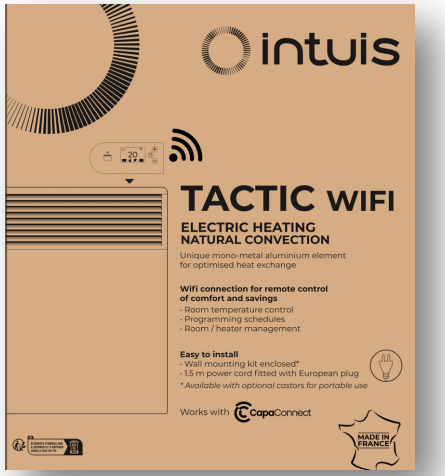

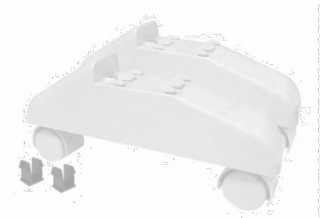

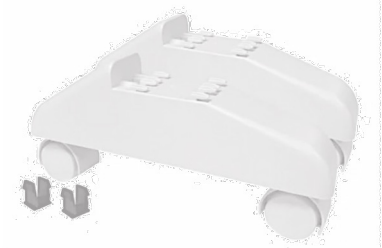

Natural convection electric heater

- Wi-Fi enabled for better comfort and savings via Capa Connect app
- Control multiple heating products using a single, user interface
- Keep your devices secure with lock/unlock controls to prevent unauthorized adjustments to temperature settings
- Design personalized weekly, daily schedules
- Zone options with differing temperature settings
- Manual override for unexpected scheduling changes
- OTA (over the airways) updates
- Fitted with wall bracket & 1.5m European plug
- Optional castors for portable use
- 1000 – 1500 – 2000 – 2500W outputs

RADIAL: radiant panel

*Available as of November 2023

MADE IN FRANCE

CE

Radiant like the sun

- Thanks to its radiant heating element, the RADIAL offers instant heat and directional radiant effect for guaranteed comfort. This radiant system gives you a feeling of warmth comparable to that of the sun's rays.

Energy-saving control

- Thanks to its open window detector, this radiator cuts off automatically during a sudden drop in temperature, avoiding any waste of energy.
- 3 pre-recorded programs
- 3 open programs for freedom of scheduling
- Parental lock with PIN code

Optional castors for portable use
1000 – 1500 – 2000W outputs

GLASSANCE: glass radiator

*Available as of November 2023

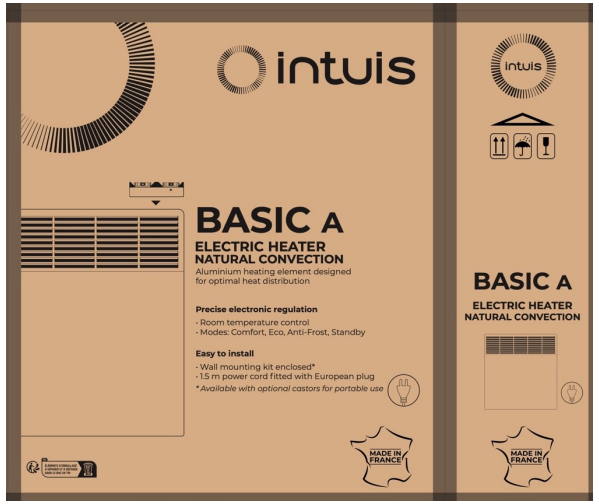

Fine designed radiators that are both technological and elegant

- Double heating source: two heating elements with auto-diffusing glass façade with surface heating element, associated to a second aluminium alloy heating element
- Digital, electronic thermostat
  - thanks to its open window detector, this radiator cuts off automatically during a sudden drop in temperature, avoiding any waste of energy.
  - 3 pre-recorded programs
  - 3 open programs for freedom of scheduling
  - Parental lock with PIN code
- Variations of the range:
  - Portable with castors and European plug
  - Wall-mounted with hardwired connection
- 1000 – 1500 – 2000W outputs

BASIC A: convector heater

*Available November 2023

MADE IN FRANCE
